

Not Getting Emails?

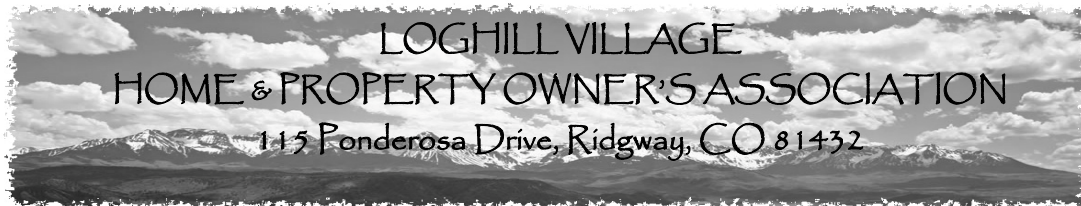

I frequently hear comments from people that they never get the email notifications from the Loghill Village Home & Property Owners Assn. There can be one of several reasons for this.

- LHV H&POA emails are going to your spam box. To prevent this from happening, you can add our email address to your email address book and the emails will start coming thru. Due to restrictions on the number of outgoing emails we can send in a day, we send from one of two email addresses. Please add both of these to your email contacts:
 - Secretary@LoghillVillage.org
 - LHVSecretary@LoghillVillage.org
- Your email address may have changed from what we have on file. If you have changed addresses recently, please send your new address along with your name to either of the above email addresses.
- I may have made an error when entering your email address into our database. Sometimes the handwriting on the membership forms are pretty difficult to decipher, or I may have just “fat-fingered” it. If you think this may be the case, again, please re-send your email to either of the addresses above.
- You may be a new owner. Sometimes the first we know that a property has changed hands is when the dues mailing is returned by the Post Office or the previous owner unsubscribes from our email list.
- However, the most likely reason is that you are not a member of LHV H&POA. The only way we have to collect the owners email address and phone numbers are thru the membership form that goes out with the dues mailing. While the county may have this information, it is not shared with the public.

On the next page is a copy of the 2016 Membership form. If you haven't joined, we urge you to do so. The contribution is not mandatory, and while \$75 is the suggested amount, please donate whatever you feel comfortable with.

Just FYI... We try to not overwhelm our members with emails and carefully evaluate as to whether they are relevant and worthy of an email blast.

Regards,
Austin Ray
Secretary, LHV H&POA
